Sub: Representation in Reply to the Final Show Cause Notice.

Respected Sir,

This is to bring to your kind notice that the aforesaid Notice (Final Show Cause Notice dated 27<sup>th</sup> January 2020) has been received by the College of Teacher Education (PGT), Shillong, Section 17(1) of NCTE Act, 1993 and that, the College is required to submit the individual representation/affidavit of Rs. 100 on Non Judicial Stamp paper within a period of 21 days i.e. on or before 16.02.2020.

Further I would like to state that the College, established in 1964 has been singlehandedly spearheading in the field of teacher education with special reference to training and clearing the backlog of untrained teachers at the Secondary level in the State up to, when other Teacher Education Institutions were set up in the State. It may also be stated that, despite serious constraints of finance, manpower and infrastructure, the College has over the years significantly contributed towards teacher preparation and development through pre-service and in-service training programmes.

**Recognized by NCTE under Section 14 of NCTE Act 1993, F.No.2799(12) dated 11.02.97 till further orders**

In the following paragraphs a reply to the observations of the Eastern Regional Committee, NCTE, are hereby presented with relevant enclosures (Annexures):

**Observation (i): Faculty list is not signed by the competent authority by the affiliating body. Faculty comprises 1+7 instead of 1+15 as per NCTE Regulation 2014.**

Respectfully, it may be stated that as has always been a practice adopted in the past with respect to UGC related matters and the State Government, the list of the teaching faculty was always duly signed by the Director, College Development Council, North Eastern Hill University, Shillong. However, the observation by the Eastern Regional Committee, NCTE in its meeting held on 16<sup>th</sup> – 18<sup>th</sup> January 2020 at Bhubaneswar, Odisha clearly indicates that the Director of College Development Council, North Eastern Hill University is not the designated competent authority. In this regard the College expressed regret. In view of the observation made the College had the list of faculty duly signed by the Registrar, North Eastern Hill University, Shillong. (**Annexure I (i): Faculty List. Annexure I (ii): Certificates**).

That, the NCTE observes that in light of the terms of Section 14(3) n (a) of NCTE Act and in accordance with the Regulation of 2014, recognition was granted to the College of Teacher Education for conducting B.Ed. programme of two years duration with an annual intake of 50 for one basic unit from the academic session 2015 – 2016. (**Annexure II: Order dated 20.05.2015**).

Further, it may be reiterated that the College has only one basic unit of 50 students, with students' strength being 100 (odd and even Semester). Vide No 1 of Clause 5.1 (i) of NCTE Regulation 2014 stating that, "if the students strength for two years is one hundred (with one basic unit) only, the number of faculty shall be reduced to 8". it may therefore be pointed out that in light of the aforesaid note, the College humbly submits that the NCTE Regulation 2014 may be noted to have been clearly complied to. (**Annexure III: NCTE Regulation 2014, Clause 5.1.(i)**). At present the College has 1+7 and 3 part time faculty.

**Observation (ii): Original Building Plan (BP) duly signed by the competent authority to be submitted.**

**&**

**Observation (iii): and Building Completion Certificate (BCC) duly signed by the competent authority to be submitted.**

The College set up in 1964 in the then composite state of Assam functioned from Jail Road Boys, Shillong as it did not have its own building and that the shared office room between Jail Road Boys School and the then Post Graduate Training College, resulted in

putting into disarray, displacement and even loss of vital college records and documents. Moreover, during the subsequent years, it may be stated that the Original Building Plan and the Building Completion Certificate (BCC) was reportedly never required to be submitted to any competent authority, whatsoever, it may be at different points in time, even till shifting of the College to its present Campus.

Regretfully, an attention may be drawn to the fact that the Original Building Plan and the Building Completion Certificate (BCC) and other related documents are not found/available among the records and, that, the same came to light until the College was directed to submit the Original Building Plan by the esteemed Eastern Regional Committee, NCTE.

Moreover, as mentioned earlier, the College, at the time of its establishment was during the time when Shillong was in the then composite State of Assam and that, it is extremely difficult to identify the competent authority of that time, especially when it is 50 years ago. However, some kind of effort was initiated to locate the documents from the competent authority of the Government of Assam but in view of the age of the documents, nothing was forthcoming.

However the mapping of the original building plan which includes the site plan of the original building along with the floor specification in terms of area, measurement prepared by a registered architect countersigned by competent authority represented by the Executive Engineer (PWD Buildings), Government of Meghalaya, Shillong is hereby submitted. **(Annexure IV: Original Building Plan).**

The Building Completion Certificate based on Building Plan signed by competent authority is hereby submitted. **(Annexure V (i): Building Completion Certificate. Annexure V (ii) Certificate of Registration of Societies. Annexure V (iii): Lease Agreement in favour of College of Teacher Education (PGT), Shillong. Annexure V (iv): Lease Agreement. Annexure V (v): Land Use Certificate)**

**Observation (iv): Certified copy of Fire Safety Certificate duly signed by the Government competent authority to be submitted.**

With regard to the issue of Fire Safety Certificate, the College had written to the Superintendent of Police (Fire and Emergency Services) Meghalaya, Shillong on 5<sup>th</sup> December 2019 to issue the Certificate. It may be reported that on the same day, the Office issued a **Provisional No Objection Certificate Cum Suggestion**, (with 8 suggestions) to the College valid for a period of three months. The process of installation started after all necessary logistical considerations were approved, and that, on completion of installation the

Fire Safety Certificate was issued on 4<sup>th</sup> February 2020. (**Annexure VI: Fire Safety Certificate**) and the same has been duly attested by a Notary.

**Observation (v):** Requisite information of the institutional website has not been updated as per clause 7 (14) (i) of NCTE Regulation 2014.

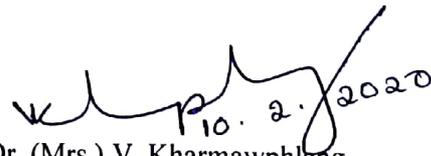

On Observation No. 5, the College expressed its deepest regret for its lackadaisical attitude towards the institutional website and that, the institution submits that, in a digitalization age, the website is a digital window to the world. However, with a deep sense of remorse, the College humbly submits that it has failed to initiate efforts in making the institutional website more informative as envisaged by NCTE through its format and to bring in more dynamism and vibrancy to the website.

The College sincerely makes a submission that in view of the observation, necessary interventions are already initiated to update the website at the earliest in accordance with NCTE format in right earnest and intent.

**Conclusion:**

I deeply express my gratitude to you for providing this opportunity to hear us out through this reply. In light of the above stated facts, I humbly submit my plea to consider the facts which are true to the best of my knowledge, belief and information. I pray before you to kindly reserve drastic action against the College for non-compliance of Section 14(3) n (a) of NCTE Regulation and that, the College is granted permission to continue to operate as a leading Teacher Education Institution (TEI) in the State.

That Sir, I am, with firm conviction submits that, to the best of my ability, I will ensure that the College complies with the NCTE Regulation 2014, and the amendments from time to time.

#### III. PART TIME TEACHING STAFF (AS PER NCTE NORMS)

With reference to the non-submission of detailed information of the Part-Time Staff in respect to Fine Arts and Performing Arts, it may be pointed out that under the present syllabus prescribed by North Eastern Hill University, Shillong, the courses vis-à-vis Fine Arts and Performing Arts are not treated as separate entities with distinctive weightages in the Two-Year B.Ed Programme. However, the two above mentioned areas find inclusion under the **Enhancement of Professional Capacities Course (EPC)**, for Third Semester student-teachers under **B.Ed. 305 entitled Developing Creative Skills (EPC-4)**.

Further, it may also be stated that the two specific areas are optional activity items among other activity items. Based on past experiences, it may be informed that in case(s) where student-teachers (irrespective of the number) opt for the activity items, the College make necessary arrangements to cater to the need and interest of the student-teachers for servicing the same.

The Principal with a sense of responsibility submits that, in view of its commitment to comply with the requirements of NCTE Regulation has already initiated the ground work to facilitate the process of appointment of the two Part-Time Staff and that the matter will be placed before the Governing Body of the College at the earliest. The Principal is confident that the entire process will result in positioning the two required Part-Time Faculty to teach Fine Arts and Performing Arts respectively.

Yours Faithfully,

### 4.3 Assessment

For Perspectives in Education and Curriculum and Pedagogic Studies, at least 20% to 30% marks may be assigned for continuous internal assessment and 70% to 80% marks for external examination. One-fourth of the total marks/weightage shall be allocated to assessment of practice teaching. The weightage for internal and external assessment shall be prescribed by the affiliating university. Candidates must be internally assessed on the entire course of Engagement with the Field and not only on the project/field work given to them as part of their units of study. The basis for assessment and criteria used ought to be transparent for students to benefit maximally out of professional feedback. Students shall be given information about their grades/marks as part of professional feedback so that they get the opportunity to improve their performance. The bases of internal assessment may include individual or group assignments, observation records, student portfolio, diaries, journal etc.
